EMAIL NEWSLETTERS

Wellness News

The leading daily Wellness Newsletter in the United States with a circulation of more than 20,000,000 per month. Current formats are sponsor friendly and can generate highly targeted impressions and clicks to the advertisers offer page.

Wellness Spotlight

Wellness Spotlight is for dedicated sponsored email drops, it is brand-friendly and very sales letter savvy. Spotlight advertisers follow a standard arms-length introduction; "A message from our advertising sponsor: Acme Health"

Wellness Insider

Wellness Insider is for products and services that Wellness.com management may personally hand-pick and recommend under the strength of their following in addition to carrying the full weight of the Wellness.com brand.
